Heartbeat

We want you here

Drive in church has been a blast

With moving back into the church right around the corner, we want to thank all those involved.

We are so thankful to all the hands the helped make drive in church a success. Seeing everyone through their windshield has not been ideal, but it was such a great alternative to not meeting. Honk!

As we make our way back in the church

A lot of thought and preparation has been put into how and when to go back in the worship center. Our COVID committee was formed to help us make informed decisions. With county, city, health department and schools represented we knew they would know what is safest and best for our church.

With that there have been some dates and recommendations made to our body on the best way to go back in the church while protecting those most vulnerable in our congregation.

1. We will return to services inside on **July 5th.**

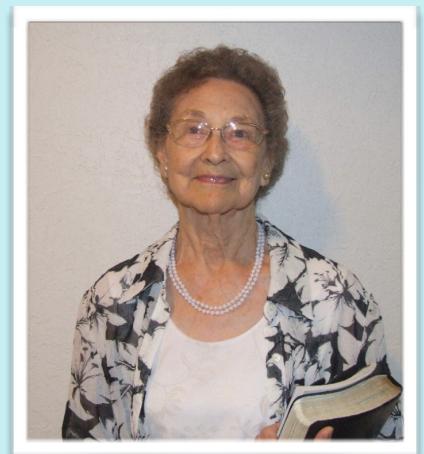

2. Service will remain at 9:00AM
3. Childcare has been suspended
4. Facebook live and drive-in FM radio will remain available.
5. You must sit in the open areas provided to provide 6ft distance.
6. Masks will be available but not required.
7. If you have had symptoms or have been around someone with symptoms we ask you to please take advantage of our online service or continue to worship from your car via FM 87.9FM

Ms. Harriet is turning 100!

Lets celebrate Ms. Harriet Wilson's 100th birthday together. Thursday, June 25th marks 100 years for our very special sister. We are opening the old sanctuary for a Stop-N-Go birthday party!

You are welcome to bring a card. Please no gifts. Please come and show your love for this great women of God. Can't make it? She loves letters! Just mail it to 460 South Court St. Bronson, FL 32621

Francis Watson at home with Jesus

We had a beautiful service for Ms. Francis here at our church and the family was very grateful to those who were able to attend and donated food. Thank you so much for that ministry. It is so encouraging how our church family provides when needed. Ms. Francis would have been so grateful.

She was such a big part of our church. She loved us and we loved her. Always working, always volunteering and always with a smile.

For now I look forward to seeing my sister again. I miss her, but I know where she is and I know she is full of joy and peace waiting to see us again.

A Word from our Pastor

The time is finally here to begin moving back into the sanctuary! I appreciate your patience. I know it hasn't been ideal for anyone. We want to be wise and safe. With this Heartbeat newsletter we hope to keep everyone informed and connected.

Soon we will have a Celebration and Prayer service. God has been good to us! Also, soon we will have a town-hall meeting to fill you in on when we will add different ministries and to hear from you.

One of the hardest problems we've faced is staying in touch with everyone. If you haven't been contacted, please let the church know your correct contact information. If you know of someone else who has been overlooked, please let me know. No matter how or when we meet, we want to gather for worship and minister with excellence.

Our COVID committee, ministry team, and the deacons are working on a plan to return to normal times and services. Our first step will have several options. We can return to the sanctuary, but only at 50% capacity. Others may wish to park in our drive-in field and listen on 87.9 FM. There will also be overflow areas in the old sanctuary with a live feed. Finally, there will be a live Facebook feed for those who wish to stay home.

Welcome to Bible Blvd - Remodeling the children's area

We are so excited for everyone to see the hard work and donations of so many people to remodel our children's area. I can't wait for the kids to see it!

It's called Bible Blvd because we have created storefronts for many of the most familiar bible characters. Such as: Mary's essential oils, Samson's Gym, Adams rib shack, Lydia's fabrics and so many more. You will love to walk down and see all the detail that has been put into this project.

Special Thanks to: Jeannie McCrickard, Cindy Pharis, Duncan and Edwina Azbell, Jennifer and Sidney Bray, Mac Huber, Gwen Hardison, Dane Shewey, Madi and JT Coker, Ted and Ned Rhude, Rex Shevitski, Frank McKoy and Jerry Harvey.
